

# TAPE 2

PORTABLE MIXTAPE RECORDER

**PORTABLE AUDIO RECORDER  
IN A TAPE RETRO LOOK**

**INTEGRATED RECHARGEABLE  
LI-ION BATTERY**

**SIMPLE RECORDING  
IN 24-BIT AS WAV OR MP3**

## WHAT'S NEW?

- + TAPE 2 is powered by battery, for even more flexibility and better handling, with up to 6 hours of active recording
- + WAVE format recording for high-quality sound
- + Recordings are now saved to hi-speed microSD card
- + New lock knob will prevent your recordings from being stopped accidentally
- + Clear and improved LED feedback to keep track of your recording
- + The gain dial lets you fine tune your input levels to get the most out of your recordings
- + TAPE 2 can be charged via a standard 5V power supply or by simply connecting to your computer
