

F1L PREMIUM™

ADJ F1L PREMIUM, high quality Fog Juice is made from water based high grade pharmaceutical ingredients, each approved by the FDA. F1L PREMIUM Fog Juice produces thick, billowing white clouds of smoke when used with ADJ™ Fog Machines (may be used in other water based fog machines as well). By using F1L PREMIUM Fog Juice it increases the visibility of light beams and colors of your special effects lighting and helps create an exciting atmosphere.

Specifications:

- F1L PREMIUM comes in a 1-Liter container.
- Please Note: ADJ Fog Juice has a 3-year shelf life
