

F4L ECO™

ADJ F4L ECO, Fog Juice is made from water based pharmaceutical grade ingredients, each approved by the FDA. F4L ECO Fog Juice produces white clouds of smoke when used with ADJ® Fog Machines (may be used in other water based fog machines as well). By using F4L ECO Fog Juice it increases the visibility of light beams and colors of your special effects lighting and helps create an exciting atmosphere.

Specifications:

- F4L ECO comes in a 1-Liter container.
- Please Note: ADJ Fog Juice has a 3-year shelf life
